

Health and Safety Policy

Cenergy Holdings as a holding company, requires its subsidiaries, hereinafter “Cenergy Holdings companies”, to incorporate into policies the following Health and Safety policy.

Cenergy Holdings companies are committed to provide a safe workplace and continuously promote Health and Safety for their employees as well as for their partners, including customers, suppliers, contractors, subcontractors, business associates and visitors.

The Companies' main goal is "No accident and no occupational illness" and in order to achieve this it is required by all their employees and business partners:

- to create a culture that all injuries and work-related illnesses can and must be prevented.
- to strictly comply with all applicable legislation and to fully implement all Cenergy Holdings' standards, instructions and procedures regarding Health and Safety at workplace.
- to identify, evaluate and regularly update operational processes' Health & Safety risks and implement preventive measures aiming to mitigate them.
- to report and investigate in depth all incidents (accidents, near misses and unsafe situations), and to implement appropriate corrective and preventive measures so as to avoid their reoccurrence.
- to communicate all Health and Safety issues to all stakeholders openly and with transparency.
- to recognize the importance of peoples' attitudes and behaviors on Health and Safety and provide on-going information and training to support knowledge and skills development while encouraging their consultation and participation in all Health and Safety matters.
- to provide safe working conditions for the prevention of occupational injuries and illnesses that are appropriate to the organization and to the specific nature of its risks and opportunities.
- to continuously improve Health and Safety performance by engaging all stakeholders in the Health and Safety effort and integrate Health and Safety as a key element in all management process and corporate culture.

Employees and business partners should be committed to safeguarding Health and Safety "in all places at all times" as a condition of continued employment and collaboration.

Health and Safety is everyone's responsibility.

Governance and accountability

Responsibility for the implementation of this Policy lies with the most senior executive responsible for each company.

Compliance

All Cenergy Holdings companies shall comply with the provisions of the Environmental policy as well as national laws and regulations. Should there be differences between the content of this policy and the national laws or other applicable standards, the more rigorous requirements shall apply.
